April 28, 2016

To whom it may concern;

Please be advised that all condominium units in Gardens I at Waterside Village have fire sprinklers in every room of the unit. They also have smoke alarms that are hard wired in all the units. The fire alarm system is monitored 24 hours per day in all units and buildings.

These systems are inspected annually.

If you have any questions, please feel free to contact me.

Sincerely,

Nicole Banks
